EXPERIENCE

Intellectual and Research Work

Independent International Relations Research 2024-PRESENT

Conducted independent research on security strategy, deterrence, and escalation under mentorship with Dr. Bogdan Popescu, analyzing historical and contemporary cases of limited conflict and decision making under uncertainty.

Debate (National Circuit) 2022-2025

- Competed at state and national level tournaments
- Focused on international relations, constitutional law, and public policy
- Emphasized evidence based argumentation and disciplined preparation

Service and Civic Engagement

Congressional Youth Advisory Council 2023-2024

- Developed a proposed congressional bill with assigned team to address college debt
- Presented sections of the proposed bill to Congressman Keith Self and his team

United Nations CSW Semifinalist 2025-PRESENT

Placed top 8 over 2,500+ applicants who applied to attend the UNCSW 70 conference held in New York City.

Entrepreneurship and Policy Application

DECA International Business Plan - BetterHelp: Rebuild 2024-PRESENT

Co-developed a business and policy proposal expanding mental health access for war-affected youth, integrating humanitarian need, economic sustainability, and institutional feasibility. Produced a written plan and formal presentation evaluated at competition.
